Welcome back

A warm welcome back to everyone after the short break. We are looking forward to nine summer weeks of school before the December holidays.

Holiday feedback

We kept the children busy with lots of fun activities inside and outside. They brought their bicycles, we had a visit, they did baking, ate ice creams and enjoyed a lot of other fun games and activities.

During the holiday we installed a camera system that will enable us to keep an eye on the playgrounds and passage. We are planning to extend the cameras to the classrooms next year.

We have also almost completed the upgrade of our staff/parent toilet facilities.

Thank you to each parent for their school fees payment each month and for supporting our fundraisers, this enables us to ensure our school is the best!

Teacher's day at our school

We are celebrating Teachers day this Friday at our school. Each member of our staff is celebrated as they are all part of creating the caring environment at the school. The children are also welcome to treat their teachers and other staff members with a flower or chocolate to show their appreciation.
